A MESSAGE FROM PASTOR ALEX....

Whether it's *Holly Jolly Christmas*, *Winter Wonderland*, or *Rudolph the Red-Nosed Reindeer*, I have already heard plenty of Christmas and holiday songs on the radio during this Advent season, and I'm sure you have as well. Never mind that Christmas is still a few weeks away. These familiar songs began playing the day after Thanksgiving (as if we needed any more motivation for our Black Friday shopping) and since then, it seems that wherever I go there is some sort of festive tune ringing in the air. Not that I'm complaining about this! I love Christmas music as much as anyone else does, and I must admit that it's pretty much the only thing that I listen to on the radio during this time of year.

But what exactly am I listening to? Have you ever noticed the songs that get the most airtime? Certainly not the traditional carols and hymns that we sing in church, that's for sure! According to one study of the 20 most frequently played Christmas songs on the radio (which account for 60% of all holiday tracks played during this season), **Jesus is nowhere to be found in any title or lyrics.** Instead of *Joy to the World* and *Silent Night*, we get *Jingle Bell Rock* and *Sleigh Ride*. In fact, the first overtly "religious" song on the list is all the way down at #23 with *Little Drummer Boy*. Thus, for a holiday that is supposed to be about the birth of Christ, the most popular songs on the radio seem to suggest otherwise. Apparently our culture wants to hear more about Frosty the Snowman than Jesus the Son of God.

So even though it's beginning to look a lot like Christmas (and even though I'm beginning to sound a lot like the Grinch), I do think it is important that we take a moment to remind ourselves again what this season is truly about. Sure, these timeless classics are nice and they make us feel all warm and fuzzy "as we dream by the fire," but do they really speak to the reality of our world? Do they give credence to all of the division and conflict that exists around us or even in our own homes? After all, for many people this is NOT the most wonderful time of the year or a season to be jolly. Andy Williams can sing about parties with friends and spending time with loved ones, but what about the widow who's spending her first Christmas without her husband? What about the homeless man who has nowhere to go on Christmas Eve?

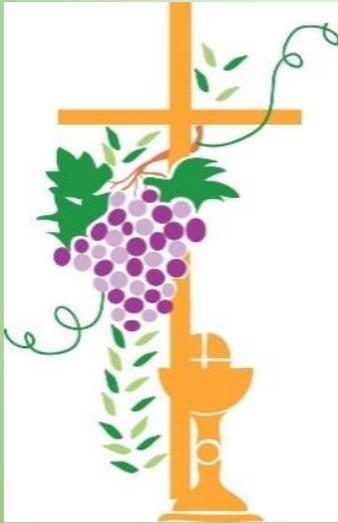

For those who are anxious, isolated, grieving, or fearful, an angel comes this season with a message of hope: "Do not be afraid; for see – I am bringing good news of great joy for all people: to you is born a Savior, who is the Messiah, the Lord." This is why we celebrate Christmas – not because Santa Claus is not coming to town, but because Jesus is coming to the world! He is true gift of Christmas – the one who shines light into darkness and brings peace on earth as the ultimate sign of God's love.

The late John Lennon sings, "A very Merry Christmas and a happy New Year. Let's hope it's a good one without any fear." Through Christ, may it be so for all of us in 2017.

See you in worship,

Pastor Alex

THANK YOU NOTES FROM OUR COLLEGE KIDS!

Dear Pastor Alex and St. John's,

Thank you so much for the care package containing so many useful items. They will certainly come in handy. It was very thoughtful of you to remember me. Best wishes and happy holidays!

Sincerely,
David Powell

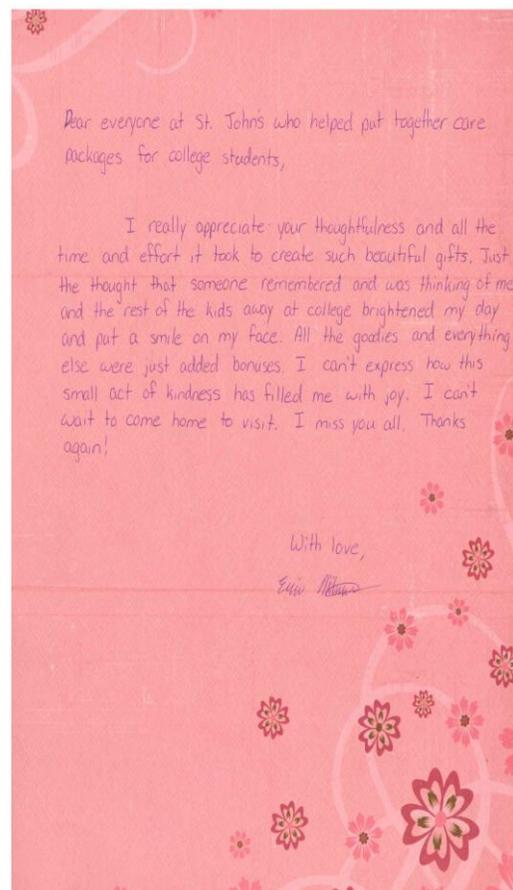

Dear Pastor Alex and all who contributed to the care packages,

I really appreciate the care package you sent me, it's a great feeling to know you all cared so much that you wanted to send me all these supplies and snacks. It always puts a tremendous smile on my face whenever my mom brings me one of these because of all the thought that clearly goes into making these. Thank you all so much for everything, I'm really touched by this wonderful act of kindness.

Wishing you all a delightful holiday season,
Chris Powell

God's work. Our hands.

This year, in conjunction with our annual Giving Tree Project, we would like to help the ELCA during this holiday season with some of the wonderful things they provide for the underprivileged in other parts of the world. Some of the ways you can help fight hunger and poverty along with the ELCA through this program:

Donations of ...

- ✓ \$10 buys a mosquito net, chicks, a fruit tree seedling, or a backpack stocked with food
- ✓ \$12 buys water jugs, \$20 buys honey bees, and \$38 will train an evangelist
- ✓ \$30 buys a pig, vaccinations for a child, or supports a young adult in a global mission for a day
- ✓ \$40 pays for school fees and uniforms
- ✓ \$50 buys a goat
- ✓ \$125 buys a sheep

How YOU can help ...

Our Advent Tree will be posted on the bulletin board in the Narthex near the bell. The tree will have ornaments in all the varied amounts stated above. After the 9:30am service on Sunday mornings you can go to the tree and select the ornament with the amount and type of giving (for example, honey bees for \$20) that you would like to donate. (If you do not see what you are looking for on the tree, please ask, as we do have extras.)

Please give your donation (cash or check made out to Evangelical Lutheran Church in America) to Lori Fernez in the Narthex -- and you may keep the ornament to hang on your Christmas tree at home, as a reminder that Christmas is all about giving to others! The tree will begin on Sunday, November 20th and donations will be collected through December 24th.

Thank you for your generosity and have a blessed Christmas season.
