A Message from Pastor Alex ~

Last week Dotty Criscuolo, Joan Pirrone, and I attended the Synod Assembly for our congregation's synod - the Metropolitan New York Synod of the ELCA. The Synod Assembly is an annual gathering of rostered leaders (i.e. pastors, deacons, etc.) and laity from the roughly 195 Lutheran congregations in the Metro NY area. I had been to the assembly two years ago when I was a Vicar at Christ Lutheran Church in East Northport, but this was my first as an ordained pastor and official rostered leader. The experience was both interesting and informative, and I want to thank all of you for allowing me the opportunity and privilege to attend this important event.

Among the many things that were covered during the three days of the assembly was the re-election of our synodical bishop, the Rev. Robert Alan Rimbo, as well as further conversation regarding our synod's ten-year strategic plan called, "*For such a time as this.*" This plan, which kicked off last year, will strengthen congregations and develop new ministries where needed within our synod. It will also help people grow in their faith and clarify our Lutheran identity so that we can share the message of Christ in new and creative ways. As always, the focus of this plan is missional – that "marked with the cross of Christ forever, we are claimed, gathered and sent for the sake of the world." (ELCA Mission Statement)

Claimed: by God's grace for the sake of the world, we are a new creation through God's living Word by the power of the Holy Spirit;

Gathered: by God's grace for the sake of the world, we will live among God's faithful people, hear God's Word and share Christ's Supper;

Sent: by God's grace for the sake of the world, we will proclaim the good news of God in Christ through word and deed, serve all people following the example of our Lord Jesus and strive for justice and peace in the world.

It's important to know that this isn't just a "synod thing." We here at St. John's are called to do our part. This strategic plan, our mission support to the synod & ELCA, and events like the Synod Assembly remind us that we are church together as ONE body of Christ. So when you get a chance, please check out the bulletin board in the church narthex for more information regarding our synod's strategic plan.

As Christians who are claimed by God's grace and gather around Word and Sacrament each Sunday, where is God sending us today? Who is God sending us to? Please feel free to share your thoughts and ideas with me. I look forward to discerning our call together.

Peace +

Each Sunday throughout the year, with the exception of the Lent and Advent seasons, our church altar is adorned with flowers. It is often through the generosity of our members that these flowers beautify St. John's. Traditionally, the flowers are given in memory of a Loved one, in Honor of someone still living or to Celebrate a special event such as a Baptism or First Communion. When flowers have been given by a member, the bulletin will note the designation of that morning's flowers. After the worship, you may pick up the flowers you have requested. If the flowers are not claimed, they will If you would like to make a donation to have flowers placed on the altar, there are Altar Flower envelopes in each pew that you can filled out or you can contact the church office. Your support of this ministry is greatly appreciated!

I would like to thank everyone at St. John's for their calls, cards, flowers and a piece of Pastor Alex's birthday cake. I will be continuing with treatment for the next 4 weeks but I look forward to seeing everyone in church soon!

Thank you again for all the prayers and support.

Love,
Gerda Weber

Parsonage Basement Demo and Clean Up

Saturday, March 1, 2014, Jane Sloane, Ken Jackson, Uncle Bob Rogers, Denis Fernez, Vito Richetti, Karl Feltkamp, Danny Gonzalez, Bill Lindman, Doug Feltkamp and Bill Davison worked approximately five hours to demo the parsonage basement after an air analysis indicated the presence of mold. Thanks to Doug Feltkamp we had a dumpster which was filled to overflowing. Thanks to Vinnie Masciello the 30 or so contractor bags that were put in the garage were removed that Monday and Tuesday following the demo.

Saturday, May 24, 2014, Dan Lenz, Denis Fernez, Bruce Feltkamp, Sue Coyle and her friend John worked three and a half hours to vacuum, wipe down and spray the walls and floor with mold remediation solutions. Thanks to Douglas Palmer and Danny Gonzalez for the solutions that were used to spray.

St. John's is so very blessed to have so many people give of their time when called upon for help. This was a very dirty and time consuming project.

Thank you, thank you and God Bless you,
Dotty Criscuolo, Property Chair

TOGETHER IN PRAYER

PENTECOST WEEKEND 2014

As on the Day of Pentecost, when Jesus' followers spoke in the languages of many nations, but were united in the power of the Spirit to proclaim God's mighty deeds, we envision that on Pentecost Weekend 2014, the diverse people of the Metropolitan New York Synod will be united in prayer for the mission and ministry we share.

As an expression of the work of the Claimed Committee of our synodical strategic plan, the people, congregations, ministries, clusters, and conferences of our synod will convene diverse occasions for prayer on Pentecost Weekend 2014, June 7 (Vigil of Pentecost) and/or June 8 (Day of Pentecost). We envision that all of God's people in our synod will pray in various formats and styles for the Holy Spirit to guide us more deeply into faith through the means of grace for the mission to which God calls us "for such a time as this."

Pentecost Weekend 2014 will also serve as a "kick-off" for a five-year long synodical strategic plan emphasis on living out the means of grace more prayerfully: "Growing Deeply in Faith: Five Years of God's Creative Grace!"

Our prayer is that the Holy Spirit will take you and the people in your local communities deeper into the life of prayer. Look for resources to support your planning in upcoming issues of the synod e-letter.
